

JOIN THE FIRE SERVICE IN PHILATELY

The purpose of the group is to band together and discuss the many aspects and different issues of stamps that are printed around the world from different countries pertaining to the fire service.

We are affiliated with The American Philatelic Society and are now a recognized unit.

There is a newsletter printed and sent out every two months to all the members and usually an auction is held yearly. We are currently trying to meet at large stamp shows, which are held across the country.

All that we ask is to send your name, address and some other information to the address below and enclose \$15.00 per year dues.

We also are able to sell you new issues as they come out for your stamp collection. This is done by one of our members.

Name: _____

Address: _____

City: _____

State: _____ Zip: _____

Country: _____

Email: _____

Please send to: **Mr. Brian Engler Sr.**
 726 ½ Tilghman Street
 Allentown, PA 18102-2324
